

The Health and Care Political and Clinical Leadership Offer

The Health and Care Political and Clinical Leadership Offer is a joint support offer from the Local Government Association (LGA) and NHS Clinical Commissioners reflecting our joint commitment to strengthening the leadership of local health and care systems. All sessions advertised will be co-delivered by local authority and clinical commissioning group (CCG) colleagues

All sessions are free.

The leadership development sessions are aimed at:

- health and wellbeing board (HWB) chairs/co/vice chairs
- CCG chairs
- those in any other leading political role in a health and care system
- portfolio-holders/lead members with responsibility for adult social care.

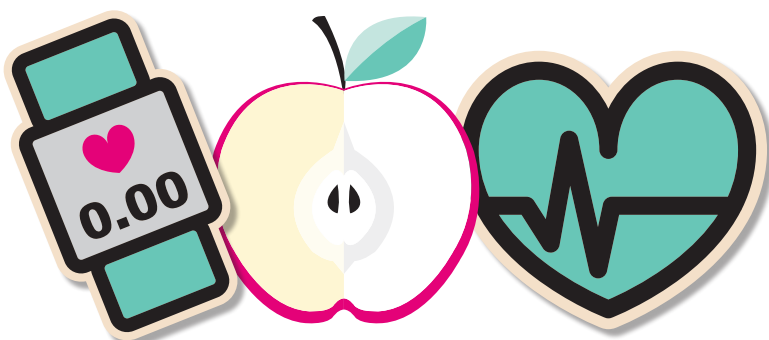

Induction session

10.30am – 3.00pm, Thursday 28 June 2018
Beecham Room, LGA, 18 Smith Square,
London SW1P 3HZ

If you are new to a leading role in a health and care system, as above, this free induction session is for you. This session will brief you on the policy issues, look at leadership challenges for these high profile roles, and relate these to your local context.

As well as hearing from a range of participants across the health and care system, you will hear about further support on offer for you and have plenty of opportunity for discussion and networking.

To book a place email sarah.brown@local.gov.uk

Leadership essentials

10 – 11 July and 9 – 10 October 2018
Warwick Conference Centre, Coventry

These free two day residential sessions are an opportunity to reflect on the leadership challenges of these roles, away from the day job, and to share experiences and actively learn from each other.

Using the LGA's tried and tested approach to leadership development, the programme will be led by LGA peers and national partners and focus on a range of current and crucial issues.

If you are a HWB chair/co/vice chair, CCG chair or have a leading political role in a health and care system:

10 – 11 July 2018
9 – 10 October 2018

If you are an adult social care portfolio-holder or lead member:

9 – 10 October 2018

Reflecting responsibilities across health and social care, the 9 – 10 October 2018 leadership essentials will run simultaneously, linked by shared speakers and facilitators. A joint dinner on the evening of 9 October 2018 will provide a wider networking opportunity.

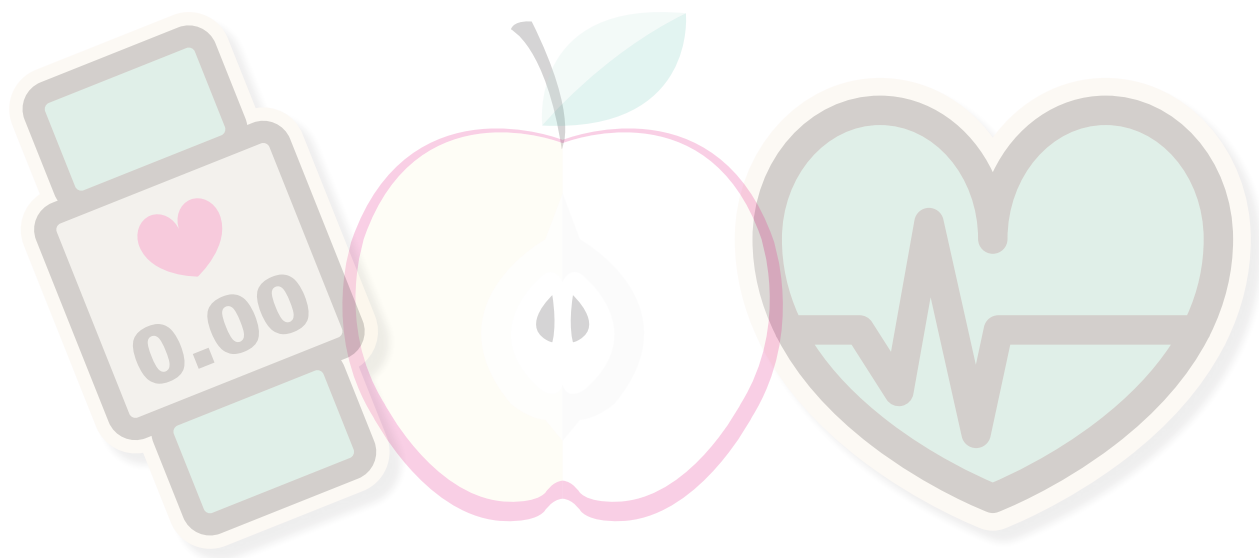

The programme is free, with participants only responsible for their own travel costs.

Places are limited and early booking is recommended.

For further information and to book a place, please contact **Grace Collins** on 020 7664 3054 or grace.collins@local.gov.uk

These events form part of a range of support for local government leaders and lead members with more information available via www.local.gov.uk/councillor-development
