

Connecting the Nation

The risks of poor connectivity and digital skills on communities and businesses

Pipes, People, Community

Media and
Communications

A background image showing a large stack of light-colored pipes, likely PVC, arranged in a grid-like pattern. The pipes are stacked in several layers, with the top layer being the most prominent. The lighting is bright, creating strong highlights and shadows on the edges of the pipes. The overall color palette is dominated by the light greenish-grey of the pipes and the white of the text.

Pipes

Ubiquity
Quality
Ownership
Privacy

Media and
Communications

People

Skills

Needs

Interests

Outcomes

Networks & Communities

Support
Normative
influence
Relativity

Socio-digital Ecologies

All of the above
