

Local Football Facility Plans

Phil Woodward – FIS Manager (Operations)
Claire Waldron – FIS Project Manager

FOR ALL

Local Football Facility Plans

National Football Facilities Strategy (NFFS)

- 10-year strategy to change the landscape of football facilities in England
- An investment plan for every single local authority in the country

1

1,000
new 3G FTP's

2

1,000
changing pavilions
/ clubhouses

3

20,000
improved grass
pitches

4

**Better small
sided facilities**

Local Football Facilities Plan

What is it?

A LFFP is a short, well defined investment plan that captures current football facility assets and identifies investment priorities in each LA area.

Your plan will:

Set a 10-year vision to transform local football facilities

Identify priority projects to be delivered

Act as an investment portfolio for projects that require funding

Be updated on a regular basis

Local Football Facilities Plan

How will it be delivered?

- Strategic desk based research
- Football partners consultation
- Community consultation
- Support/consultation/preparation by KKP

Think differently

Consult diversely

Embrace all formats,
engage all participants

Local Football Facilities Plan

When will it be delivered?
