Building Blocks for Success

- Change is championed throughout the organisation by senior leaders.
- Change Board provides *Assurance, Accountability, Delivery and Ownership* of the Change Portfolio.
- Project Management Framework embedded – drives how we manage Change.

Project Management

Benefits Management

Why are we doing this?

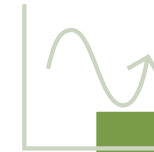

Governance

- Data led decision making – including when to stop!
- Prioritisation

Savings

- Clear links between Change Portfolio and MTFP and Savings Trackers

Performance

- Are we seeing the anticipated shift?
- Once projects close, how do we track the benefits?
