

Supporting Economic Inclusion

LGA 3 Oct 2023

Jude Robinson

OUR HAMPSHIRE JOURNEY TO INCLUSION

Strategy and Policy context – core values

[inclusion-strategy.pdf \(hants.gov.uk\)](#)

[https://youtu.be/iNmbJHcXgCE](#)

'I firmly believe that the more diverse and inclusive an organisation is, the more effective it can become, and that for us to deliver the best from our services, both for the good of Hampshire residents and for our staff, embracing inclusion and diversity must be among our core values. There is always more we can do, and I look forward to embarking on our collective journey, guided by this important new framework.'

Carolyn Williamson, Chief Executive

Hampshire Skills Strategy

A future ready economy

Matching skills supply and demand and driving forward productivity for a prosperous and resilient economy

An inclusive local labour market

Developing talent and maximising opportunity for all our communities

A high quality infrastructure

Raising aspiration and achievement and creating industry standard training in post 16 sector

**CROSS CUTTING THEMES:
DIGITAL and LOW CARBON**

Key programmes

- ESF STEP – NEET support programmes (ended March 23)
- ESF Apprenticeship Hub – providing free support for employers' skills needs (ends Dec 23)
- ESF Technical Construction Skills – supporting new entrants to the construction sector (ends Dec 23)
- SEND Employability – extending employment pathways for a growing post 16 SEND cohort (3000+)
- Ukrainian Support – support for Ukrainian learners in Hampshire's FE colleges plus additional resource in the Employment & Skills Hub to support individuals and employers.
- Multiply - supporting adult numeracy skills
- CITB Retention Project – support for new entrants to sustain their careers in the construction sector
- Adult & Community Learning – focused on areas and cohorts most in need
- Skills Bootcamps – working with providers and partners to target vulnerable groups and jobseekers
