How we used our funding 2023/24 financial year

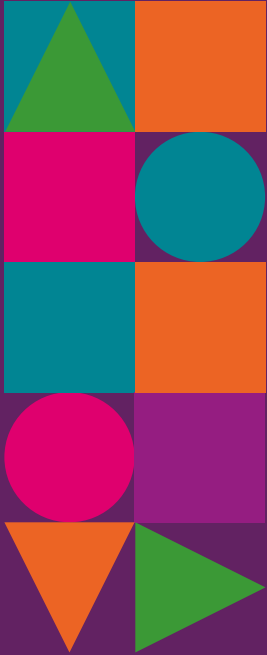

Our 2023/24 spend breakdown by business plan priority ('000s)

We promote: influencing government policy and shaping how it's delivered through partnerships at local level, for example Debate Not Hate, supporting care leavers.

We support: providing expert technical and professional support, including a comprehensive workforce offer and specialist legal and communications expertise.

We improve: providing leadership and robust critical challenge for local government to continuously innovate, transform and deliver.
