- Also provided discussions regarding the expected implementation

Implementation

NFCC
National Fire
Chiefs Council

CCoE Launched
May 2020

4 National
workshops
delivered (all
well attended)

FRS's working to
implement the
CCoE

Further support
for FRS' being
planned for
2022

- FRS's currently at different stages of implementation
- The partner organisations are available to provide support
- FRAs and FRSs are utilising the CCoE to establish service values and/or behavioural frameworks or to align with and build upon those already in existence.

Further support

NFCC
National Fire
Chiefs Council

CCoE Launched
May 2020

4 National
workshops
delivered (all
well attended)

FRS' working to
implement the
CCoE

Further support
for FRS's being
planned for
2022

- The partnership working group will deliver further support workshops during 2022
- Best practice examples will be utilised as the basis of these workshops
- HMICFRS will be assessing FRS's regarding the implementation of the CCoE
- FRAs will be mindful of their scrutiny role
- Staffordshire and Humberside (examples of their current position)
