Increasing specialisation

Increasing numbers requiring training

Awareness raising - The Liberty Protection Safeguards system (in the context of the Mental Capacity Act)

AMCP (conversion and new)

IMCA

Pre authorisation review

Assessment, determination and consultation
  Care home managers
  Others

Identification and referral

Other considerations:
- Training of regulators
- Awareness/comms for appropriate person role

Who?
- Registered professionals only
  - Existing BIAs
  - Other roles still being worked through in line with regulations

Who?
- Existing and new advocates

Who?
- TBC locally but likely to be managers or AMCPs

Who?
- People who have the responsibility in their organisation to advise others and to trigger the LPS process

Who?
- Care home managers (arrange, determine and consult only)
  - Doctors, psychologists, occupational therapists, first tier nurses, speech and language therapists and social workers

Who?
- Registered professionals only
  - Existing BIAs
  - Other roles still being worked through in line with regulations

Who?
- Existing BIAs
  - Other roles still being worked through in line with regulations

Who?
- TBC locally but likely to be managers or AMCPs

Who?
- People who have the responsibility in their organisation to advise others and to trigger the LPS process

Who?
- Care home staff, homecare/domiciliary care, supported living, shared lives, personal assistants
  - Social workers, social care assistants (all adult social workers; children’s social workers that work with children with disabilities, occupational therapists)
  - NHS: GPs, district nurses, SALTs, practice nurses, healthcare assistants, community practitioners, psychiatrists and other relevant consultants, NHS hospital staff and Board members, safeguarding leads, CHC leads
  - Independent hospital staff and Board members (similar to NHS hospital staff)
  - People who use services and family carers, peer advocates, self advocacy groups
  - Residential schools and colleges, Foster carers
  - Housing staff
  - Advocacy staff
  - Commissioners/contract teams in both health and social care, Middle and senior managers, Councillors
  - Court of Protection visitors
