# Struggles with outsourced payroll

October 2019

---

# Struggles with outsourced payroll

---

**“Being responsible for ensuring that a biscuit tin is kept fully stocked, but the tin is in your neighbours house and you don’t have a key”**

*Liz Collier, Manchester*

---

# Struggles with outsourced payroll

---

Session 1

## **In Your Groups**

- 1. Discuss examples of outsourced payroll**
- 2. What happened**

***You have 5 minutes***

---

# Struggles with outsourced payroll

---

Draft LGA Guidance

**Teachers' Pensions: maintained school pension obligations where the school's payroll service is outsourced from the local authority**

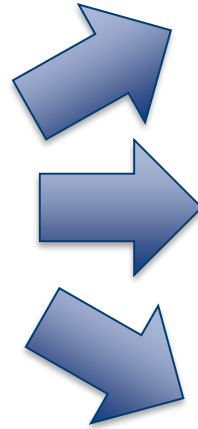

Draft

# Struggles with outsourced payroll

## Accreditation

What is it?

A tool to improve data for everyone involved in the Teachers' Pensions Scheme

All 'Payroll Providers' can register for FREE to take part

Set pass mark for each module

**80%+**

Allowing those providers that PASS to call themselves

**Accredited** for Teachers' Pensions

---

# Struggles with outsourced payroll

---

## Session 4

### **Consider**

Which modules should be included in the training?

Who should have to complete?

- Payroll Providers
- Software Suppliers
- Employers

---
