Nourishing Spaces

We seek playful, brave and meaningful ways of being together that nurture a sense of belonging.'

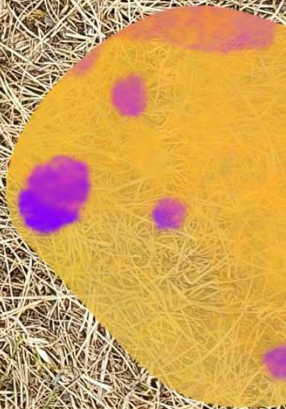

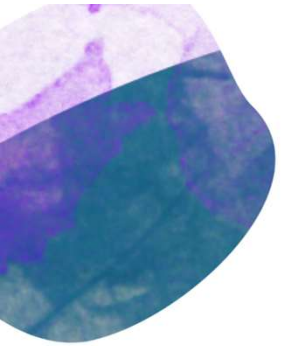

Spectra

COME TO... BUZZ STOP!

There's lots to discover in this garden, we warmly invite you to explore. Perhaps take a moment for yourself - and notice the wildlife that shares this space.

Buzz Stop is a place for people and pollinators to rest and reconnect through the seasons.

This garden has been co-designed by Spectra and members of the Sandwell community. It has been made possible with support from:

Supporting and public funding by
ARTS COUNCIL ENGLAND

NHS
Sandwell and West Birmingham
NHS Trust

Funded by
UK Government

West Midlands Combined Authority

Vision, or What we want to achieve:
To lift everyone's capacity to influence
change by celebrating brains that
work in different ways
