Poverty

Oldham is the 19th most deprived overall out of 317 authorities.

Five areas of Oldham fall in the most deprived 1% of areas nationally.

42% of children are living in low income families.

The second highest rate in the country.

Our delivery pillars

Empowering Oldham's community through education, innovation, and opportunity. We envision a future where every individual has the tools to thrive, contributing to a dynamic and inclusive economy.

Oldham, a beacon of heritage and progress. Our commitment is to enhance our town's unique character while building a resilient infrastructure that supports growth and connectivity.

Championing sustainability, Oldham leads by example in the fight against climate change. Our green initiatives and environmental stewardship aim to preserve the planet for future generations.

Driving economic success, Oldham's strategic investments and business-friendly environment foster a flourishing local economy where prosperity is shared by all.
