

The LGA's Sector Support Offer

Support for the sector, by the sector.

Sector led improvement support for all councils and strategic authorities.

Valued support. Proven impact.

New to local government? Taking on a leadership role? Working in opposition?

The LGA can help councillors build confidence, lead effectively and navigate change.

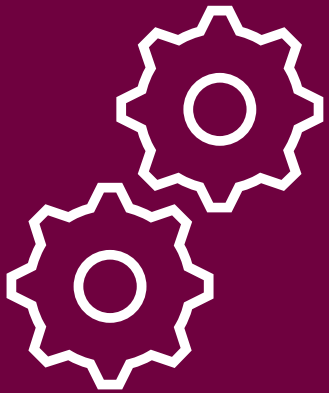

We offer **support for councillors** including:

- leadership development
- peer support and mentoring
- political group support
- support for new councillors and new administrations
- cross-party networks and development opportunities.

Leading services, managing risk or supporting organisational change?

The LGA connects officers with practical advice, experienced peers and specialist support.

We offer **support for officers**, including:

- chief executive and statutory officer support
- finance, governance and assurance
- research, data and LG Inform
- digital, cyber and transformation support.

Facing complex challenges? Preparing for change? Looking for a trusted external view?

The LGA supports whole-council improvement through sector-led support.

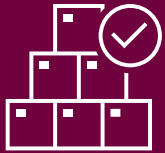

We offer **whole-council support**, including:

- corporate peer challenge and service specific peer challenges
- regional improvement advice
- support on LGR and devolution
- workforce and HR support
- service-specific improvement support
- tailored support for councils under specific pressures.

Proven support. Real impact.
