# Introducing SCIE and our housing policy work

Kathryn Smith, CEO

# What do we want the future to look like? Brookmore

# A place-based approach to housing with care and support

## Immediate priorities

### *Developing a national policy framework and building momentum for change*

#### National action

- ✓ A compelling vision and strategy for change
- ✓ Increase investment in intermediate housing with care and support options
- ✓ Rights-based legislation
- ✓ A national workforce strategy

#### Local action

- ✓ Place based housing for older people plans

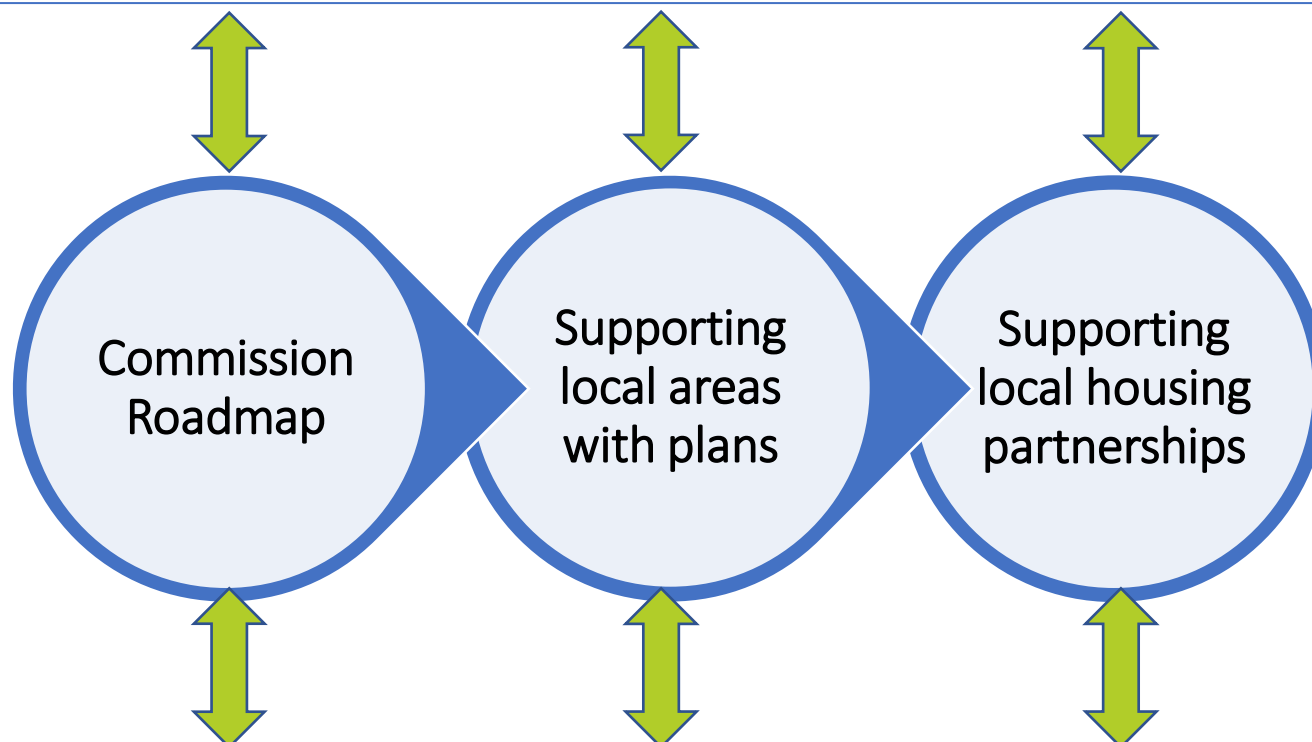

## Local Action

*“Local areas should be obliged through new legislation to produce a single place-based plan for housing with care and support for older people which is shaped by the local authority, the NHS, local planning authorities, other local partners, and people who draw on care and support.”*

# Housing and social care: linking evidence, national policy and local practice

National policy: Adult Social Care White Paper (2021)  
Older People's Housing Taskforce (2023-24)

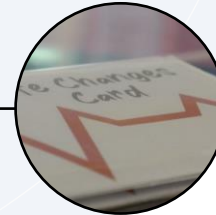

- Supporting local areas and sharing what works
- Putting people who are navigating the system at its centre
- Research and evidence informed practice

# Developing a business case for housing options for older adults

## 'Serious Game' – a tool for developing local partnerships

- ❑ Engage local stakeholders
- ❑ Bring people together to overcome challenges
- ❑ Communication, negotiation and interaction
- ❑ Making a complex issue more accessible and supporting strategic thinking about the future
